Camp Watters at Mackenzie Pulp Corporation

The Camp Committee has completed an inspection of Camp Watters at the Mackenzie Pulp Mill for the upcoming shut down at the Mackenzie Pulp Corporation and has determined that the camp passed the inspection. As a result, Camp Watters is an approved camp for the upcoming shutdown and, in accordance with the various Collective Agreements, employees dispatched to work on that shutdown are required to stay in the camp if rooms are available for them.

If you have any questions or concerns please let me know.

A handwritten signature in black ink, appearing to read 'Paul Strangway'.
