Subject: COVID-19 Pulse-Check Survey 3 re: Reopening BC's Economy & Reactions to BC's Restart Plan

CLR Members,

Many of you participated in the [second COVID-19 Pulse Check survey](#), which saw close to 1,300 responses. A summary report of the results went straight to the provincial and federal government. Thank you for your engagement.

The third economic impacts “pulse” survey is now live:

Like previous ‘pulse-check’ surveys, we’re asking about impacts on BC businesses to date and the accessibility and usefulness of existing government supports. However, this third survey also focusses on **reopening BC’s economy** and the business community’s reaction to **BC’s Restart Plan**—which was introduced by the Premier on May 6.

By [taking this 4-minute survey](#) you’re ensuring the voice of business doesn’t fade as we move from crisis and toward recovery.

We will keep you informed as the results come in, please reach out if you have any questions.

Stay safe,

Ken McCormack | President & CEO
