INSTANT TESTING RESULTS

Date: _____

Collection Site: _____

Contractor: _____

Donor: _____

Donor's SIN / ID: _____

The above-named employee tested today on a 10-panel Instant urine test and a laboratory oral fluid test, which was sent to Gamma-Dynacare.

The results of this instant test showed:

Negative

Non-Negative

Note: If the above test result is marked negative, you can report to the job site while waiting for the result of the laboratory oral fluid test. The laboratory oral fluid test result is the final determination for your Current or Not Current Status.

Donor's Signature: _____

Technician's Signature: _____
