CLR Members,

Many of you have been asking for more information around how best to maintain safe and healthy worksites given the pandemic we are all facing. The BC Construction Safety Association (BCCSA) has put together some great information and resources that they have compiled from a number of sources including the CLR.

You may find the following [link](#) to these resources helpful.

Please let CLR staff know if we can be of any assistance. We are monitoring emails and phones constantly.

Sincerely,

Ken McCormack | President & CEO
