* Employers are reminded that the Employee Deduction for Field Dues should be calculated on the basis of 2.5% of the total Monetary Package (i.e. wage rate + employer contributions + applicable premiums). As a result, in the event premiums (e.g. Shift Premium, etc.) are payable pursuant to the Agreement, the Field Dues shown above will need to be recalculated using the adjusted Monetary Package total. Please contact CLR or the Union for clarification if/as required.
