

# ©BETTER SUPERVISION SUPERVISORY TRAINING PROGRAM ELIGIBILITY & CANCELLATION POLICY

While this policy applies to the general participation of the Better SuperVision Supervisory Training program, CLR reserves the right to amend or make exceptions to this policy at its sole discretion.

#### PROGRAM ELIGIBILITY

Registered participants must be affiliated with a union which is a member of the BC Building Trades (BCBT) or the Bargaining Council of British Columbia Building Trade Union (BCBCBTU).

A maximum of sixteen (16) seats are available per program session. In any given session, there will typically be a limit of three (3) non-CLR member registrations.

CLR will, at its discretion, cancel a program session if a minimum of ten (10) seats are not registered for a given session. If a session is cancelled by CLR, those that are registered will be offered the choice to either receive a refund of the registration fee or be put on a waiting list for future sessions. Those on the waiting list will have the first right of refusal for any available seats in upcoming sessions.

## **CANCELLATIONS**

Cancellations must be received at least forty-five (45) calendar days prior to the scheduled start date to be eligible for a refund. Any cancellation received less than forty-five (45) calendar days and up to fourteen (14) calendar days prior to the scheduled start date shall have the cost of the program credited to the company to use for future registrations subject to the PIN exception outlined in transfers below.

### **TRANSFERS**

Registration transfers will be permitted up to seven (7) calendar days prior to the scheduled start date. The online component PIN for the program is non-refundable and non-transferable once it is redeemed; therefore, a transfer after the PIN has been redeemed will result in an additional fee to provide a new PIN for the replacing participant.

# © Better SuperVision Candidate Registration and Profile

October 13 & 14 and 27 & 28, 2023

SECTION 1 – Candidate Information	☐ CLR Member		□ NON-CLR Member
